

Webinar on how to prepare Erasmus+ KA2 project proposals. January 27th (10.00 - 11.30 CET)

Dear colleagues,

We are pleased to invite you to join the online session on how to **effectively prepare Erasmus+ KA2 project proposals** that will take place on **January 27th, 2021 (10.00-11.30 CET)**.

The online session follows the workshop that was held on October 29th, 2020 (*Toolkit for Strategic Partnerships*) and is aimed to immerse further into the preparation process of the Erasmus+ KA2 project applications. It will be co-delivered jointly with our colleague from the Erasmus University Rotterdam.

Since the new Erasmus+ Programme Guide is not yet published, the focus of the webinar will be on the overall principles when designing the project structure and preparing KA2 project applications and it will be based on the logic of the [Impact Tool](#) (designed by the NL NA).

We warmly invite you to share this invitation with your colleagues, who might be interested to join, and you may find more information [here](#).

The webinar is free of charge and [registration](#) is open for staff members from the EUF member universities.

With kindest regards,

Liga
