

Dear Sir/Madam,

HumaCapiAct (OID: E10142033) is an organization situated in **Turin, Piedmont** region, North of Italy. Its main activities are concentrated on:

- **Organization of work placements/internships** (in all sectors including ICT, Engineering, Mechanics, Hospitality and Tourism, Gastronomy, Architecture, Veterinary, etc) : organizing qualitative internships/work placements in the best North Italian companies according to professional background of every young trainee/student, assisting to students in improving their CVs within traineeships in Italian companies (learning by-doing), as well as through innovative personalized mentoring schemes (developed in partnership with entrepreneurs and employers).
- **Developing eLearning entrepreneurship** (Social Entrepreneurship and Women Entrepreneurship) in partnership with European research centers, higher educational institutions, VET schools, career guidance centers, SMEs, associations and different organizations operating in area of training, education, career guidance.
- **Organization of training activities, workshops, study visits for educational staff members** (from higher educational institutions, VET schools, adult education centers, career centers, etc.) for better improvement of professional skills, exchange of good practices, for better knowledge and better performance while educating new generations, future human capital.

If you are looking for reliable partner for your KA1 and KA2 project, we would be the most grateful if you could consider us as ones. We would be much appreciated in sharing the expertise in mobility and research areas under the framework of Erasmus+ programme in order to achieve the best quality in educational projects.

Should you have more questions or need more information, please just do not hesitate to contact us.

Best regards,

Viktoria
