

Dear Partners,

We are pleased to invite you to join our 10th International Week, which will take place between the 16th of May till 20th of May, 2022. We look forward to meeting the teaching staff and administrative staff of your universities. The main purpose of the program is to share working experiences, internationalize current practices, and network with partners. Participants are also expected to give presentations.

The working language is English.

Pamukkale University will cover most of the social-cultural activity programs during the week, but all travel costs, some programs some meals, and accommodation have to be covered by the participants (participants can use Erasmus Mobility Grant).

The Social-Cultural activity Programmes with participation fees are:

-Guided tour to Laodikeia (our Archeology department's excavation site), Pamukkale, and Hierapolis, includes also a meal **(50 € - participation is a must)**

-Gala dinner **(50 € - participation is a must, certificate of attendance will be given at Gala Dinner)**

-a daily tour to a touristic place by bus **(60 € participation is a must)**

Total amount is € 160.
