

Dear colleagues and future partners,

applying for staff mobility Erasmus + projects,

For many years, **AE2O - Second Chance School Matosinhos** has been a reliable and wanted partner in many international projects. We use Arts and other creative methods to motivate young dropouts in Porto and Matosinhos area and to organize their learning processes.

AE2O has become a reference institution, at national and international level, because of the innovative approaches in education and because of its pioneer work to establish the first second chance school in Portugal, promoting Second Chance Education policy and system in our country.

In this context, we have developed a series of **training courses** for professionals working in the social and educational field - teachers, trainers, psychologists, social educators, animators, but also for artists or just people searching for opportunities to develop some new skills and to enrich their practices with us.

We offer you **TRAINING OPPORTUNITIES** for the period:

**July, 2022- December, 2023,**

for your applications for Erasmus+ Programme, KA1, grants (next deadline 23rd February 2022). It will be great to welcome you in Porto, Portugal and in some other places in Europe!

We have also opportunities for job shadowing and study visits.

If you are applying to ERASMUS + **next deadline, 23rd February**, apply with us and bring one group from your organization to our training courses!

Take this chance to come for a pleasant and meaningful visit to Porto, UNESCO World Cultural Heritage and European Best Destination. See the link: <https://vimeo.com/203346600>
