Θέμα: Winter Call: Fresh Erasmus+ Traineeship Opportunities Now Open

Dear Erasmus colleague,

I am contacting you again on behalf of the Workspace Europe consortium of universities with an update from our **Placement Slovakia programme**.

We are pleased to inform you that **new Erasmus+ traineeship opportunities in Slovakia are now available**, with start dates in **January and February 2026**.

We warmly invite your students to explore these opportunities. Even if they do not find a position that matches their interests, we are happy to **search for or create tailored internship placements** for them.

All they need to do is **register at placementslovakia.com** and fill in their **search criteria**, so we can prepare positions that best match their field of study and expectations.

We would be grateful if you could **share** this winter call with your students.

The conditions of the programme remain unchanged:

- The Placement Slovakia programme is **free of charge** for students.
- **Free accommodation** for every trainee (a separate room in a shared flat with other international interns of our programme).
- **Full support** from our team before, during, and after the internship.

We would be delighted to welcome your students to Slovakia this winter and help them gain a high-quality international work experience.

Thank you for your cooperation. Should you have any questions or require any assistance, we remain at your disposal.

Wishing you a wonderful Christmas and all the best for the year ahead,

Romana Stankovicova
Programme Coordinator
Placement Slovakia by Workspace Europe
